

## FRANKLIN LUMINAIRE STUDENT SPONSORSHIPS

### Student Sponsorships Available at Franklin Luminaire

A major focus of Franklin Luminaire is bringing together Metro New York students interested in a career in Graphic Communications and top executives in the Metro printing and publishing community.

Now you can meet some of these students (and perhaps a future employee) at this year's Franklin Luminaire Awards program.

Students from area graphic communications schools are being invited to attend this year's program. Your sponsorship of these students will help defray the costs of their participation in the evening's activities.

#### Perhaps you would consider sponsoring a:

- Full table of 10 students at \$2,500
- Half table of 5 students at \$1,250
- Individual tickets at \$250 per student

#### Students are being invited from the following academic institutions:

- NYU School of Graphic Communications
- NYU College of Technology
- Fashion Institute of Technology
- Parsons The New School for Design

...and more

All student sponsorships to Franklin Luminaire are tax deductible as a charitable donation.

Companies sponsoring a full or half table will also be recognized appropriately during and after the program and all students will know who has supported them to attend the program!

**Interested?** Please complete and return the Response Form or contact Printing Industries Alliance at (800) 777-4742 for additional information.

### Response Form
