

Strategic Risk & Insurance

Gilroy Kernan & Gilroy (GKG) is the endorsed Strategic Risk & Insurance specialist to PIA members. GKG is a risk and insurance firm that has been consulting and serving clients since 1904. The firm specializes in:

- Employee Benefits
- Retirement
- Commercial Insurance
- Risk Management
- Financial Services

GKG's approach is that of a **strategic partner** to its clients. By first understanding their client's vision, opportunities, strengths, and weaknesses, GKG provides both insurance and strategic solutions to help the organization reach their goals.

Through this partnership, GKG offers PIA members a **spectrum of solutions and services**, including but not limited to:

- The GKG Risk Assessment™ for Printers
- Benefit Program Benchmarking (PIA, Industry, National, & Regional)
- The GKG Retirement Plan Review™ For Printers
- The GKG Personal Risk Review™
- Exclusive Management Liability Solution for Printers
- Cyber Liability Program for Printers
- Human Resources and Benefits Administration Assistance
- Exclusive Insurance Products
- Invitation to all GKG University events (seminars, webinars, etc.)

GKG's Ross Kraft and Andrew (Andy) Biernat are the primary contacts for all PIA members.

“We are excited about sharing our more than two decades of combined experience and expertise around the printing and graphic communications industry with PIA members. The graphic communications industry has changed dramatically over the last decade; and even the last year or two. By identifying the ever-changing risks and devising solutions that attract and retain the best employees within the industry, we'll be able to help promise the security and success of PIA members.” - Ross Kraft

GKG's unique approach to risk, combined with their expertise specific to the graphic communications industry offers great opportunities for our members.
